ACT Awareness e-Learning is a joint project between Counter Terrorism Policing and the business community.

*Based on a feedback survey of over 7,000 users.

We offer a variety of products and services to help organisations, large and small, improve protective security.

ACT Strategic

A facilitated, three to four hour interactive table-top exercise and workshop delivered by a Counter Terrorism Security Adviser (CTSA). It aims to develop deeper understanding and share best practice in relation to organisations having effective incident management, evacuation and business continuity plans.

ACT Awareness

An interactive, variable length, session delivered by a CT professional. Topics include current terrorist threat, identifying and responding to suspicious activity, and what to do during an attack/bomb threat. Aimed at frontline staff.

ACT Awareness e-Learning

ACT Awareness e-Learning will provide nationally recognised, corporate CT guidance to help industry better understand and mitigate against current terrorist methodology. The following modules are available:

1. Introduction to terrorism;
2. Identifying security vulnerabilities;
3. How to identify and respond to suspicious behaviour;
4. How to identify and deal with a suspicious item;
5. What to do in the event of a bomb threat;
6. How to respond to a firearms or weapons attack;
7. Summary and supporting materials.

ACT for Youth: Run Hide Tell

An animated film with supporting materials, aimed at 11 to 16 year olds. The package shows how young people should react if caught up in a gun or knife terror attack - and how to report suspicious activity. Full lesson plans - designed by the PSHE Association in consultation with partners such as Girlguiding, NSPCC, Educate Against Hate and Childline - are available for Key Stage Three and Four pupils.

Once the Run Hide Tell advice is understood, participants can progress on to Treat, which has been created in conjunction with St John Ambulance. This age-appropriate First Aid guidance has been specifically designed to allow a teacher or youth group leader to show how to deliver trauma first aid to an injured person or themselves whilst hiding and waiting to be rescued by the police.
